

## COX ENERGY ANNOUNCES LAUNCH OF STRATEGIC PLAN 2023-2027 FOR COXABENGOA GROUP

Mexico City, September 29, 2023, - COX ENERGY, S.A.B. OF C.V. ("Cox Energy", "the Issuer" or "the Company") (BIVA/BMV: COXA\*, BME: COX), the first photovoltaic solar energy company in Latin America which is listed on BIVA (Mexico) and BME Growth (Spain), informs its shareholders and the general public about the launch of the 2023-2027 Strategic Plan for the Coxabengoa Group, which aims to achieve sustainable and profitable growth in the coming years. The Strategic Plan outlines specific objectives for each of the five key business areas: Energy, including the integration of Abengoa Energía with Cox Energy, S.A.B. DE C.V., as previously announced, Water, Infrastructure, Services, and Technologies.

The Strategic Plan envisions growth that will position the Coxabengoa Group with revenues exceeding EUR 3,000 million and an EBITDA of more than EUR 600 million by 2027. This plan describes the objectives established for the energy division ("Coxabengoa Energía," the energy division integration project with the Company), which were previously authorized by the Board of Directors of Cox Energy S.A.B. DE C.V. and will be formalized once the corresponding approvals are obtained. For more detailed information about the Strategic Plan, you can download the document from Cox Energy's website or by accessing the following link: [STRATEGIC PLAN 2023-2027](#)

The goals of the Strategic Plan related to the growth and expansion of Cox Energy S.A.B. DE C.V. are subject to the completion of the operation or operations through which the Issuer acquires, integrates, or consolidates 100% of the equity interests of CA Infraestructuras Energía 2023 S.L. ([relevant event published on September 21, 2023](#)) through any of its Spanish subsidiaries, including Cox Energy Latin America S.L., subject to prior compliance with all necessary corporate, regulatory, administrative, and/or legal approvals. Later, the management of Cox Energy, with the prior authorization of the Board of Directors, will publish its detailed strategic plan, as well as the expansion and growth objectives established.

**Enrique Riquelme Vives, Executive Chairman of Coxabengoa, commented:** *"Starting today, we identify ourselves as Coxabengoa, a renewed entity that merges the capabilities of Abengoa and Cox into a single business project. We maintain the essence, knowledge, and commitment to innovation and sustainability that both companies have demonstrated throughout their individual histories."*

**He added:** *"Our new identity, which unifies both identities into one, represents a natural evolution. It not only reflects the outcome of the process we have undergone but also projects the mission of our new company, which is based on promoting sustainable development in a socially responsible manner. This will be achieved through the conception, development, and implementation of innovative technological solutions in the Energy, Water, and Infrastructure sectors worldwide."*

### ABOUT COX ENERGY

Cox Energy is a solar photovoltaic renewable energy generation company listed in Mexico (BIVA) and Spain (BME Growth) that develops, promotes and operates photovoltaic plants in the main countries of Latin America and Europe, with presence in Mexico, Chile, Colombia, Guatemala, Central America and Spain. It has a unique portfolio of projects in different stages of development and identified opportunities to carry out its activity within a sustainable development framework. Cox Energy also operates throughout the value chain, with a presence in the business of self-consumption and/or distributed generation and commercialization of energy in Latin America and Europe.
