

COX DE MÉXICO, S.A.B. DE C.V. ANNOUNCES THE SIGNING OF THE PUBLIC WORKS CONTRACT FOR THE CONSTRUCTION OF THE ROSARITO DESALINATION PLANT

Mexico City, September 25, 2026 – Cox de México, S.A.B. de C.V. ("Cox México" or the "Issuer") (BIVA/BMV: COXA*), In compliance with the provisions set forth in Article 50 of the General Provisions Applicable to Issuers of Securities and Other Participants in the Securities Market, it hereby informs the general investing public that, in connection with the Relevant Event of August 17, the Issuer, together with the Spanish company Cox Engineering & Services S.L., has signed the Public Works Contract for the execution of the project named "Construction of the Rosarito Desalination Plant and Pumping Plant for the Supply of Potable Water to Tijuana and Playas de Rosarito, Baja California" (the "Contract").

The scope of the contract includes the engineering, procurement and construction of the infrastructure necessary to develop the seawater desalination project through reverse osmosis, with a potable water production capacity of 2,200 liters per second.

This infrastructure will constitute a complementary source of supply that will contribute to diversifying supply sources and strengthening the water resilience of Tijuana and Playas de Rosarito.

In addition to reinforcing water security in the state of Baja California, this project marks a milestone for Cox in Mexico by consolidating its capabilities in large-scale water solutions.
